Hi Eamon,

I hope to be on campus those days, but I am on call for Courts in Worcester and Springfield so drop by and hopefully I will be in. If not other lab personnel will be there.

Thanks,

Hello James,

I hope this message finds you well and that you are enjoying 2012. I am going to be on campus at UMASS next Monday and Tuesday and was wondering if you had any time for me to swing by? I would just like to introduce myself being that I will be in the area. Please let me know if you have any availability. Thanks so much!

Best,
Eamon

Hello James,

Attached is the updated 7890 GC quote. The auto-injector and tray were updated since the original quote was done. I had to quote our newer modules for this quote. This quote was sent to Westnet last week. I was told they are handling the purchasing for this. I will have the GCMS quote over to you tomorrow. Thanks!

Best,
Eamon

Hi Eamon,

I spoke with you last week about updated quotes for our lab. I need these on hand in case funding is available. The 2 previous quotes were numbers 931902 and 907032 for a GC and GC/MS. Would you please email me the quotes?

Thank You,

Jim Hanchett
